### COVENANT

Our discipline policy is designed to help our students develop self-discipline and self-respect. This leads to basic rules:

#### **Respect each other**

We listen when an adult or classmate is speaking to us.

We share because we understand that all that we have is a gift from God.

We participate.

#### **Respect our environment**

We keep the areas we are in neat and clean

We walk more slowly and talk more softly in the sanctuary because we understand that God might have something to say to us or our neighbor

We clean up our messes

We put materials back when we are finished

**Children are made aware** of appropriate and considerate behavior, and why these are necessary for the enjoyment and harmony of the group. When a student is unable to follow the rules we will contact the parent.

**Through gentle reminders** and consistent modeling the children become sensitive to the needs of others, and develop respect.
